the 1990s, the number of people in the world who are undernourished has increased from 600 million to 800 million.

There are a number of reasons for this. First, the world population has increased by 1.5 billion in the last 25 years. Second, the world population is ageing. Third, the world population is becoming more urban. Fourth, the world population is becoming more educated. Fifth, the world population is becoming more mobile.

These factors are all contributing to the increase in the number of people who are undernourished. In addition, there are a number of other factors that are contributing to the increase in the number of people who are undernourished. These factors include:

• The increase in the number of people who are living in poverty.

HOMECOMING

Senior Rashi Lofton was extremely excited on becoming homecoming queen. When asked what her thoughts in being nominated by her peers and being crowned queen Rashi stated, "When I was nominated for Homecoming Queen I was very happy. I was also nervous because the voting wasn't over yet."

"When I was crowned Homecoming Queen, I felt very special. It made me feel like I had accomplished something good."

"When I was in the running for Prom Queen only upper classmen and those attending Prom could vote. But as for Homecoming Queen, the whole school was involved. That made a difference on my feelings because I had more support."

"Winning Homecoming Queen has helped me to gain more confidence in myself and it will be an event that I will never forget." -Rashi Lofton

Senior Chris Hayes was also pleased that the student body at Calumet High School voted him 1992 Homecoming king. Chris was also asked his thoughts on being nominated by his peers and he stated, "I was very happy for being nominated and even happier when I was crowned King. I just kept thinking that Mike Tolbert was going to win. I thank everybody for voting for me and wish them luck for years to come."

Chris says some of his biggest accomplishments this year were being named Offensive Lineman of the Year for the third straight year, being named student of the month, and finding out who the real Chris is.

The Court

"Thank you all for nominating me. Face life with perseverance and never succumb to anything. Thanks again!" -Angie Combs

"I was very surprised. I didn't know what to say. It's good to know that your peers like you enough to vote for you." -Mike Hamilton

"I would like to say thanks for selecting me to be on the court. It was a good experience that I will never forget." -Adrienne Padilla

"I was honored to be nominated. I would like to thank all the people who voted for me. It was a privilege that I will look back on for the rest of my life." -Danny Mata

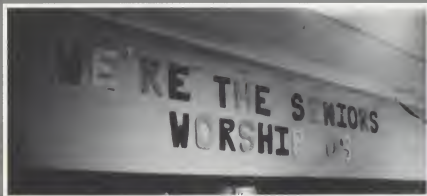

"It was such an honor to be chosen as one of the Homecoming Queen candidates that it didn't make a difference who won. Thanks to all who voted for me." -Martha Schubert

"I feel greatly honored that my peers think of me that highly." -Michael Tolbert

Throughout football season, the team displayed heart and determination. Evidence of this was displayed at the homecoming game against Lowell on October 2, 1992. Unfortunately, the Warriors lost the game and we, as students, lost many traditions.

The traditions surrounding the 1992 Homecoming festivities changed this year. Because there were disciplinary problems within the student body, there was no Homecoming parade, no Homecoming Revue, and no Powder Puff game. However, the Warriors enjoyed the week and made it memorable for everyone.

Crape paper, banners, and balloons adorned the hallways as the Juniors won the hall decoration competition. The Student Council sponsored Spirit Week with days such as Hippie Day, Class Color Day, P.J. Day, and Red and White Day to add to the week's excitement.

The real excitement came during half-time on Friday night when the announcement of the 1992 Homecoming Queen was presented. Senior Rashi Lofton had been voted Queen and senior Chris Hayes had been crowned King.

Even though homecoming comes once a year, the memories and excitement will stay with everyone forever.

Turnabout

Turnabout. The only time during the year girls are supposed to ask the guy out.....& pick up the tab for everything!!!! Turnabout was held on December 19, 1992 in the Calumet High School Cafeteria. The theme was "End of the Road", and it was once again sponsored by the band boosters.

HAUNTED HOUSE---BEWARE!!!!!!

On the night of October 22, 1992, the Junior class put on a haunted house located at Burr and 25th in a fireworks warehouse. The haunted house was originally thought of to help raise money for the 1993 prom. It was only supposed to be run by juniors, but when a few seniors and sophomores offered their help they couldn't

There's A Body in the Closet

Chicago, the windy city, home of the world's tallest skyscraper, the Cubs, the Bears, the Bulls, Wrigley Field. . . But what you don't see in the travel brochures is what happens in the privacy of the houses and apartments in Chicago. Dead bodies in closets, mysterious missing hangers, strange visits from the Welcome Wagon..... On January 27, 1993, after a two year absence, the Senior Class presented the play "There's A Body In The Closet" in the Calumet High School Auditorium at 7:00 P.M. This wacky, comedy, murder, mystery, was headed by Ms. McCray. A matinee performance was given during school for students at 1:00 P.M., so this gave everyone a chance to attend the play. Janet (Theresa) and Bob Westbrooke (Bobby M.) newlyweds, have just moved into their new apartment in Chicago. But then, strange and mysterious things start to happen. Murders, odd visitors and hangers stolen enough to involve the good old Chicago P.D. A good time was had by everyone and the play was a success.

TALENT REVIEW 1993

Even after the problems that we had in the previous year, we were still allowed to have a talent review. In the beginning, when the list was made as to who was participating, there were at least thirteen acts. Due to athletic events on the same night, many acts had to drop out which only left seven acts. Those seven acts were great enough to hold their own and the talent review was a success. The talent review was headed by Ms. McCray.

Calumet's own FUN FAIR!!!!

For the first time in a long time, maybe decades, Calumet High School, yes, your Calumet High School, had a fun fair. On April 1, 1993, a fun fair was held in the cafeteria. How it worked was each club or association had a booth such as: a jail, pie throwing contest, cake-walk, palm reading, and everyone's favorite B-I-N-G-O! These are just a few of the booths that were included in the fun fair. The fun fair gave all of the clubs a chance to earn money that was well needed.

Prom, the most important, and most expensive dance of the year, was held at Wicker Park Social Center on May 8, 1993. It was sponsored by the junior class, who selected In the Still of the Night, by Boyz II Men as

the theme for their special night. Emerald Green, black and silver were the colors for this year's prom. The night was highlighted by the crowning of King, Sidney Jordan and Queen, Kristy Cummings.

Finally they're crowned!!

Senior Banquet!!!!

The annual senior banquet was held on May 26, 1993, in the Calumet cafeteria. There was a decent turnout of students and they enjoyed themselves as the awards were handed out. A good time was had by all.

SENIOR OLYMPICS

GRADUATION!

Can you believe it?!?! The class of nineteen hundred ninty-three is finally on the loose! Into the "real world" they go. Almost thirteen years ago those scholars walked into the doors of their kindergarten classes individually. This day they walked out of the doors of Calumet —
TOGETHER. . .bonded.

As summer fades into fall, the class of 1993 takes different paths. Maybe, some will evolve into the class of 1997 — 1999 — 2001. For others it's time to join the work force. And yet, for others they will one day be leaders of our country.

No matter what becomes of these "former" students, in their hearts they will always be: the class of '93!!!

CLASS OF '93

After many years of hard work and determination, the class of 1993 walked the walk of graduates! They will see a future of college, trade school, work, and eventual happiness.

The class understands the need to go out and make an impression with all they do. We wish all good luck and good fortune in all endeavors.

Volleyball

The girls volleyball team worked hard throughout the season, but came up short. The ladies worked on their pass-set-spike routine all season, to see progress on the court. With a young squad working most

of the season, the Warriors look forward to the upcoming year.

As evident by the above picture, the girls showed their support for their teammates during all games.

The record of the volleyball team was 1-18.

The jayvee girls gained valuable experience playing this year. Through the season they worked hard at mastering the fundamentals of the game. Experience is a valuable tool and they hope the experience they received this year will help them in the future.

FOOTBALL

History was made this year when the school had enough girls participate on the first ever girls cross country team. The past two years, the school only had two girls participate on the team, Rashi Lofton and Molly Askren. Five girls are needed to field a team at competitions. Regains sectional crown

Wrestling

After losing the sectional title last year, the wrestlers fought back and regained the title. The season saw many young wrestlers improve.

Award winners were: Keith McIntosh & Ramsey Regalado — MVP's; Dan Mata — Pride-Hustle-Desire; Jeremy Renfroe — most improved; Matt Armstrong — Sweat Club Champion; and Mark Botts & Chet Nellett - Outstanding Freshmen.

Girls Tennis

The girls tennis team had a very young squad due to graduation, academic ineligibility, and injury. The team consisted of one junior, six sophomores, and five freshmen.

The team finished the season at 0-14. Sophomore Jessica Luna

(winner of the most productive award) was the only player to win a match. She won three at the number one singles spot. Coach Tauber expects a brighter future with all twelve Varsity letter winners returning.

Youth Swing

This year's softball team relied on the freshman class quite heavily. Included in the line-up was usually four freshmen, three juniors, and two seniors. The season was one of adjustments. Sometimes players were asked to play a position they had never tried before, but they played it and

worked hard to do their best.

Stayce Botts was the team's MVP for the second year straight, as well as the team's batting average leader (.290) and fielding average leader (.896). The most improved player was Kelly Duncan and Jenny Rhyne received the mental attitude award.

FINALLY OVER!

It's hard to believe we graduated. I can remember our eighth-grade orientation. Former Calumet principal, Robert Joseph, spoke to us, "Look at the person next to you. He won't be here when you graduate." Sad, but true, the girl who sat next to me that day was not at graduation.

As you look at this yearbook, your life has gone on without high school. After you got over the initial "Oh I'm finally free!" shock, you may have no longer felt the same feeling you had when you clasped that diploma tightly in your hand:...."Free at last!"

Or is it. Commencement was a confused time. It was an ending, but it was also a beginning to our new lives. What you do with the easing thought that there is no way Mr. Miller can follow us now!

Ah, being a junior. Not quite having the seniority, but better than being a sophomore, which of course is better than being a freshman. Your junior year is supposed to be your hardest. Trust me, it is! It's hard turning in all of

your work, not ditching with the seniors, and not blowing off classes. All in all, being a junior is easy. And it's cool. You're cool enough to hang out with the seniors and yet sophomores and freshmen look up to you. Well maybe not.

But then again would you rather be a freshman or a sophomore? Think again — and think of the advantages. . . OH NO!! Not more thinking. Save it for your senior year.

Sophomore year could possibly be the most difficult year in high school. As far as freshmen go, they want to hang out with you and "be cool," or most of the time they just get in your way. Being a freshman means more leeway from administration because "they (freshmen) don't know any better." Being a junior has its advantages because they have less people to pick on them and they are also busy planning and raising money for prom. Finally, being a senior, well, it's their last year, and basically, they don't care.

The definition of Sophomore in The Random House College Dictionary is "foolish." To be considered "foolish" and then having to pass Ms. Walters' English Class? NOT!! How can they expect a "foolish" sophomore to complete fifty-two and a half math problems, a science quiz, a World Civ. exam, and twenty-seven laps in the pool in one day?

WHAT'S IT LIKE BEING SOPH?

Christine Toth — I think that being a sophomore this year was challenging. Some of the classes were a lot harder. And some of the stuff going on in the year were difficult to handle.

Chucky Podkul — Sometimes it's rough. The upperclassmen think they are better than you. In sports, I had to prove that I was just as good as they were before I could play.

Alice Newman — It kind of feels like being a freshman. To be a sophomore, I think, you're not as looked up to like juniors or seniors, but the freshmen still look to us for help.

"Canterbury Tales" Revisited

Once again Ms. McCray's honors English classes were required to perform different scenes from Chaucer's "Canterbury Tales." As you can see it was enjoyable for all who participated!

Valerie Wachowski plays her role in the "Canterbury Tales."

Jessie Garcia is a squire.

Benji James does his performance for the class.

Carrie Spencer plays the merchant.

Samantha McBride portrays the nun in the story.

Daney Ferguson acts out the cook.

The class poses, in their "Canterbury" costumes.

Mr. Velasco looks at the music sheet as he plays the piano during choir class.

After many years of service with the Lake Ridge Schools, Mr. Robert Velasco had the pleasure of being nominated Teacher of the Year. A well deserved honor at that. Mr. Velasco has donated thousands of hours to the Lake Ridge and Calumet schools' performing and marching bands and choirs.

TEACHER OF THE YEAR

At Calumet, Mr. Velasco instructs the chorus classes after teaching the sixth and seventh graders at Lake Ridge to blow their horns. This does not include the overtime put in to teach drum majors and the band how to march in unison. This also does not include going to various chorus contests. Mr. Velasco works very hard at a job he enjoys.

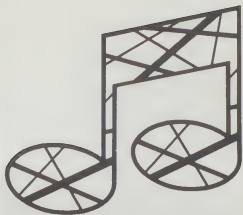

Amanda Tolson, Jodi Vair, and Becky Hurley get ready to begin class.

I bet no one ever knew that Mr. V. is a great dance coordinator.

Singing, directing, and playing the piano;
Mr. Velasco can do it all at once.

Mr. Velasco can really get his students
into the music.

Each class begins their warm up by singing the scales.

Marcus Harris, La'Tocha Ford, and Royce Bradley rest at the fountain while on Mr. Traicoff's field trip.

Mr. Traicoff leads an unidentified student into Diana's in Greektown in Chicago.

Jessica Torres and Brandy Perez smile for the camera while waiting for their Greek food to arrive.

Michelle Regalado and Dortehea Robbins wait for the bus to arrive.

The students have to dance for their meal at Diana's.

Christy Jackson explains an assignment to Phil Norton and Heather Scott.

Mr. Tsangaris warns student teacher, Miss Soley, of the problems she may have with his class.

Academics

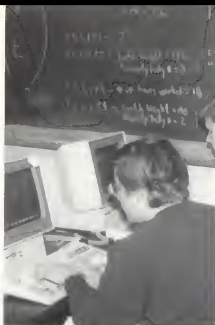

What would school be without classwork, homework, projects, papers, etc.? BORING!!! School is not only a time to socialize with friends, but also is a place to complete assignments and take advantage of the learning experience.

Not everyone gets the most out of school, but those who participate in the classroom and in any extra-curricular activity enjoy school day after day. So take the challenge and EXPERIENCE school.

CHORUS

BAND

Step in time

The Calumet High School band, directed by Ms. Potoma, has the responsibility of performing at half-time of all home football games, at pep rallies, and at other various events throughout the school year.

The band also enters contests as a group and as individuals. The band members work on their songs for the contests throughout the school year. Many members express their excitement about these contests and enjoy competing.

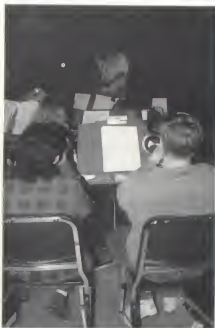

Band members: row 1: Mary Ford, Charlotte Prewitt, Louis Avila, Alicia Douglas, Ludovick Garcia, Robert Keene, Linda Rhone, Lisa McIntosh, and Melissa Volk, row 2: Mark Smeltzer, Mark Short, Suzette Mihalic, Nigle Mayes, Matt Rodriguez, Brian Cheeseman, Deanna Boldi, Elton Roberts, Theresa Eriks, Lori Cuevas, and Diana Mayes, row 3: Brian Denney, Joshua Doran, Fred Loomis, Jeremy Gregson, Cindy Eaton, and Matt Hescher.

SPANISH CLUB

The Spanish club enjoyed its major outside activity — they traveled to Spain during spring break. The members had to sell candy and raise money in order to pay for their trip, but the reward was well worth their efforts.

No one got lost, homesick, or fell in love, but they still enjoyed the ten day vacation. They visited many popular sights in Spain, and all expressed a desire to return.

VICA

VICA (Vocational Industrial Clubs of America) is a vocational club equivalent of Business Professionals. The students compete in local, state, and national competitions throughout the year. Competitions include areas such as carpentry, photography, culinary arts, health occupations, and various electronic areas.

The club's motto: "Preparing for Leadership in the World of Work," is ideal for such a club. All the students work hard at specializing in an area and competing in the contests.

Drama Club

The drama club was under the direction of Ms. McCray for the first time. She and her class had large dreams of each class (i.e., seniors, juniors, sophomores, and freshmen) putting on their own play for the school. Dreams were slightly altered after realizing the amount of time needed for each play.

Unfortunately, only the seniors and the juniors put on a play this year. However, it was also a blessing because there had been no plays performed in the previous two years.

The students embraced each play with enthusiasm and dedication. Matinees were set up so some students would have the benefit of seeing a play.

The drama club also sponsored a talent revue. The talent revue got the whole school involved and proved to be a good idea.

On the whole, the drama club tried to get all students involved in something other than sports in our school.

Snowball — a weekend retreat for high school students (and adults), where they learn, have fun, meet different people, bond, and create memories that will last a lifetime. Snowball is not a white thing, not a black thing, and not just an anti-drug thing. It cannot be explained. A misconception of snowball is that you go there to learn to live without drugs, listen to people “dump” their problems, and to learn to live a perfect life. . .WRONG!

This year marked the first Snowball CHS ever hosted. The original date was March 12-14; however, due to the problems on Feb 10, the date was pushed back to the weekend of April 30-May 2. We also had trouble finding enough adult supervision to satisfy the school board; the school board had to make enough money; and they had to find enough teens and adults to be part of the staff.

After a lot of hard work, sleepless nights, and delays, Calumet's first Snowball, “Making Peace Inside and Out” (how appropriate), was a huge success.

left: Snowball's end-of-the-year party at the dunes was all fun and games as demonstrated by Ms. Chick, Tina Viernum, Tracy Sierra, and Rachel Wright.

Nothing's Impossible . . .

if you believe in yourself!

SENIOR CREDITS

IN MEMORY

Mr. Chet Higginbotham began his teaching career with the Lake Ridge School system in 1966. He taught junior high science before moving to the high school as a counselor. Mr. Higginbotham was a counselor for fifteen years at CHS. During those fifteen years he helped many students get into colleges, get through yet another school year, and select classes for the upcoming years.

Mr. Higginbotham became a quick friend to many who met him. He was always

there to help, listen, and understand the many students who passed through his office every day. Mr. H, (as many called him), was indeed a person everyone was happy to have known.

Mr. Higginbotham was born in St. Louis, MO, and graduated from Hampton University in Hampton VA. He served in the Viet Nam Conflict before coming to the Lake Ridge Community Schools.
